

December 2015

The days are short, the lights are bright and we are thinking of friends and family who are spread out all over the world.

Happily, we are well and healthy. Mary has a few more years of teaching ahead but full retirement for the Romarys is in our future. In spite of the shock and bewilderment caused by turmoil in the world, our lives continue, unscathed.

Frank and our beloved Airedale, Winston drove to Pensacola in the motor-home in March. We were all together there during spring break in April. Winston had lymphoma and needed an operation in Pensacola. We thought we would have another summer together but we lost him in May.

Suddenly, Miss Dudley, a 14 month-old Airedale, needed a home. She is loveable and fully time-consuming. The rhythm of our lives has been restored. She had to spend seven weeks in boot-camp during the summer while we went on a nostalgic trip back to Europe. We were fortunate to see many old friends and visit some of our favorite places including Garmisch, Prague, Paris and St. Martin de Belleville.

The motor-home is still our preferred mode of travel. The three of us spent a week camping in New Brunswick in August. Dudley loved the trip and adjusted well to the motor-home.

In September Frank and Dudley went to a Trek Rally in New Hampshire. This was Dudley's first outing with a large group of party-loving people and she fit right in. It was different from home life where everyone's in bed by ten o'clock.

October was our annual Airedale Rescue event in Connecticut. This is always a highlight, spending time with friends and seeing so many wonderful Airedales in such a charming setting.

We always look forward to hearing from you and wish you all a happy and joy filled holiday season.

Love,

Frank & Mary
& Miss Dudley
